TRAFFIC FILM REMOVER

Description

Traffic Film Remover is designed for use through hot or cold pressure wash systems for efficient removal of oil, grease and general grime from vehicle, plant, offshore equipment etc., by garages, transport companies, bus fleets, maintenance & cleaning companies, building & construction companies, local authorities and oil companies both on and offshore.

Suitable for use on cars, caravans, light vehicles, floor cleaning etc.

Applications

Dilutions may vary depending on application. This product can be diluted up to 10:1 before use through pressure system. Apply at LOW PRESSURE starting from the BOTTOM and working upwards. Allow a few moments soak time. Turn off detergent and rinse at HIGH PRESSURE starting at the TOP and working down.

NB: ALWAYS CLEAN VEHICLE FROM BOTTOM UPWARD AND RINSE FROM THE TOP DOWN
