HAND CLEANER PINK PEARLISED

Description

Pink Pearlised Hand Cleaner is a very high quality liquid soap manufactured using the finest quality biodegradable ingredients, giving a luxurious lather.

A mild detergent formulated for frequent use and designed to be kind to the skin. Pink Pearlised Hand Cleaner will not remove natural oils or cause skin to dry out.

Pink in colour, and pearlescent in appearance, this product has the added protection of a bactericide to help guard against infection.

Designed for speedy removal of every day soiling and is suitable for use in many areas including; service stations, homes, offices, shops, pubs, cafes, restaurants. Its mild action is ideal for frequent use and can be used through a pump or wall mounted dispenser.

Applications

Apply a small quantity to wet hands and work into a creamy lather. Rinse well under clean, warm water and dry hands thoroughly.
