MULTI PURPOSE DETERGENT

Description

Multi Purpose Detergent is a neutral mixture of fully biodegradable anionic and non-ionic surface active agents specially formulated to combine maximum detergency with excellent flash foaming properties.

Applications

It will aid the cleaning of grease and other food process soiling from tables, conveyors, processing lines, trays, floors, walls, vehicles etc. It can also be used as a general detergent in canteens and washing sinks as a washing-up liquid.

Multi Purpose Detergent is highly recommended for use in hospitals, hotels, clubs, washrooms, toilets and swimming pools.

This product can also be supplied in a concentrate version.

Directions

Directions:

For dishwashing use 1 part to 500 parts hand hot water.

For general cleaning use 1 part to 150 parts hand hot water.

For upholstery cleaning use 1 part to 30 parts hand hot water.
