AQUEOUS DEGREASER 2000 HD

Description

Aqueous Degreaser 2000 HD is an ideal product for use on the drill floor where heavy contamination of oil can occur. It is also ideal for flushing casings at well completion stage. When diluted, Aqueous Degreaser 2000 HD makes a suitable product for general rig cleaning and also a superior additive for general pressure washing as well as for deck and bulkhead cleaning.

The addition of orange terpenes not only gives extra cleaning power but gives the operator a pleasant working environment.

Will also degrease deluge systems.

Dilutions

Dilution rates:

Heavy duty degreaser use..... NEAT
Oil dispersant dilute5 to 1
Drilling floor dilute5 to 1
Cuttings wash systems dilute 10 or 15 to 1
General cleaning dilute20 to 1
