

FISCHEMICALS ABERDEEN

CLEENOL OFFSHORE DEGREASER HD

Description

An ideal product for use on the drill floor where heavy oil contamination can occur. It is also used for flushing casing at well completion stage. Diluted it is ideal for general rig cleaning. Quick splitting for use with oily water separators. Also suitable for deck, bulkhead and any equipment washing including degreasing of deluge systems.

Applications

Dilutions on use below are only to be used as guideline as it depends on the degree of contamination, local conditions and type of mud being used, for example.:

General Cleaning/High Pressure	100 to 1
Heavy Duty Cleaning	85 to 1
Light Cleaning	200 to 1

If possible, the use of higher dilutions reduces the environmental impact of the product.

OCNS HQ BAND: **GOLD** (However, please note this product contains one or more substitutable components as based on the UK National Plan Level 3 NL HMCS Prescreening, Category D)

- ✓ **NON-FLAMMABLE**
- ✓ **LOW-TOXIC**
- ✓ **NON ACIDIC**
- ✓ **FULLY BIODEGRADABLE**

N.B. Please note that although CLEENOL OFFSHORE DEGREASER HD is classified as Corrosive on the Safety Data Sheet, this product is only considered corrosive in NEAT form and upon a minimum dilution of 10 to 1 as advised above, is deemed Not Classified.
