

FISCHEMICALS ABERDEEN

CLEENOL OD HEAVY DUTY - EU

Description

This product is designed for offshore and onshore use in the oil industry, but can, when diluted properly, be used for many applications onshore. Dilutions are only a guide as per CEFAS template of product and depend on many factors: temperature, type of contamination, degree of soiling, type of mud system being applied, and the type and area where crude oil is being drilled.

Specification
