

FISCHEMICALS ABERDEEN

CITROSOLVE DEGREASER

Description

Citrosolve is a water emulsifiable hydrocarbon solvent containing d-limonene solvent to speed up the degreasing process.

Applications

Citrosolve is non-caustic, non-alkaline and is safe on most painted surfaces. It finds considerable acceptance for removing heavy grease and oil from vehicle engines, chassis parts, machinery, metal and concrete. It is also suitable for cleaning equipment and small parts prior to storage, painting, plating or finishing.

It can be sprayed, brushed or poured on the surface to be cleaned and hosed off with water (preferably under pressure). It may be used in a dip tank. The product has a pleasant aroma when using. It is a non toxic solvent.

THIS PRODUCT SHOULD BE USED NEAT
