

FISCHEMICALS ABERDEEN

CITROSOLVE CIEMDE08

Description

Citrosolve-CIEMDE08 is a water emulsifiable hydrocarbon solvent, non-caustic, non-alkaline, non-toxic and is safe on most painted surfaces. It finds considerable acceptance for removing heavy grease and oil from vehicle engines, chassis parts, machinery, metal, concrete and for cleaning equipment and small parts prior to storage, painting, plating or finishing.

Applications

The product may be sprayed, brushed or poured on the surface to be cleaned and hosed off with water (preferably under pressure). For most applications, use Citrosolve-CIEMDE08 as supplied. It may be used in a dip tank. Has a pleasant aroma in use.

OCNS HQ BAND: **GOLD** (However, please note this product contains one or more substitutable components as based on the UK National Plan Level 3 NL HMCS Prescreening, Category D).
